AMRUTHAVANI

Beloved children,

For offering your actions to God, you have to first remember God. When you remember God, there is no place either for the ego or for the passions (vikaras). All actions then become righteous. To remember God means to know that He is the abiding witness to all your bodily actions and mental modes, that He is the prompter, doer and accomplisher of all actions. When you remember that God is the indwelling witness, you will be incapable of doing evil and thinking sinful thoughts. Fear of God is the beginning of wisdom

*Love and Blessings
Rama Devi*

--**Bhagavad-Gita-18/27**

रागी कर्मफलप्रेप्सुर्लुब्धो हिंसात्मकोऽशुचिः ।
हर्षशोकान्वितः कर्ता राजसः परिकीर्तितः ॥ २७ ॥

But that worker who is attached to the fruits of his labor and who passionately wants to enjoy them, who is greedy, envious and impure and moved by happiness and distress, is a worker in the mode of passion.

. Bring the mind under control; let it not wander in the objects of gunas. Never focus your attention on the faults of others. Your sadhana should be for correcting yourself. Behold only the Supreme all –pervading, ever pure Brahman in everyone and love all equally. Fault finding vision, praising oneself, pride of knowledge, the inner foes like lust, anger, greed, infatuation, vanity and jealousy raise their heads because you forget the supreme nature of the Guru or your own

MY MEMOIRS OF A DIVINE DARSHAN (contd.from the last bulletin)

Mrs.Savithri Antharjanam, Puthenchira.

Then Divine Mother asked us the names as we were children. She asked us all to sit cross-legged and closing the eyes. Divine Mother also sat on the sofa in cross-legged posture. She said, “We can chant Narayana Nama.” Mother began to chant. “Narayana, Narayana”. All chanted along with divine Mother. Thus I got blessing of first Darshan and initiation of Divine Name from Mother. Then Mother told ,”In this way you should chant Nama daily for some time”. Mother rose from the seat and stood up before us .She gave some plantain fruits to us. My younger brother was in my mother’s lap and he was only one year old. Divine Mother told my mother that when you do breast feeding, you should chant Nama so that the children will become God-conscious when they grow up.. We all prostrated again and Mother moved to the next room.

We stepped down from upstairs and reached front yard of the house. At that time my mother told to the lady of the house that there are other children in the house who could not come here.Mother’s blessings should be on them also. Next moment we could hear Divine mother’s voice from the upstairs balcony, “Mother’s blessings will be surely on them also. Convey this to them.” When we looked we could see Mother standing on the balcony and showering Her blessings. When we folded our palms with devotion. Mother went inside after some time. I could now understand that that fruit Mother gave us was not a mere plantain fruit but it was a blessing for the future life devoted to Mother.

Today all my family members are living under the shadow of Mother’s protection and grace.Evenafter 60 years, the divine Darshan,the advices and the fruit Mother gave still remain in my memory as if happened yesterday only.

The lady of the house was none other than Mrs.T.N.K.Nair whose life was a miracle of Mother. We could understand this only after some years when we became regular visitors of the Mandir.

WORDS OF WISDOM

1. Sit down before fact like a little child, and be prepared to give up every preconceived notion, follow humbly wherever and to whatever abyss Nature leads, or you shall learn nothing. -Thomas Henry Huxley

2 When angry, count to ten before you speak; if very angry, an hundred. -Thomas Jefferson, Writings Vol. xvi

3.He who knows much about others may be learned, but he who understands himself is more intelligent. He who controls others may be powerful, but he who has mastered himself is mightier still - Lao-Tsu. Tao Teh King

4.Truth, purity and unselfishness- wherever these are present, there is no power below and above the sun to crush the possessor thereof. Equipped with this one individual is able to face the whole universe in opposition.-Vivekananda

5. Excepting the infinite spirit everything is changing. Permanence in nowhere except in yourself. There is the infinite joy unchanging
-Vivekananda

THE LOVE OF GURU

-----Mrs.Sobha Soman

The love that the Guru has for His disciples and children is unparalleled in the history of mankind. I don't know about the other Gurus, but I am convinced that there is no one else greater than my own beloved Guru Poojya Sree Bhagawan Who has sacrificed all comforts for the welfare of His children.

Jai Mata! Jai Bhagawan!

Every thought I have imprisoned in expression I must free by my deeds.

-----Khalil, Gibran

Rishi said:-

63-66. She is eternal, embodied as the universe. By her all this is pervaded. Nevertheless she incarnates in manifold ways; hear it from me. When she manifests herself in order to accomplish the purposes of the devas, she is said to be born in the world, though she is eternal
