## AMRUTHAVANI

*Beloved children,* Let cheer be your abiding mood. Go through your duties with cheer, devotion and dedication, unmindful of the threatening challenges and life-situations. Rest assured that Mother's unseen force is protecting you. Everywhere, at all times, be alone with Mother-thought. In the abode of holiness, you have various forces to help you on your path: the presence of Mother, Her darshan, Her instructions and injunctions, meditation, the joy of sankirtan and satsang etc. But, if all these forces should lead you to the goal, you should live in sadhaka vritti, aspiring for the highest. Swadhyaya is an aid. But you should give up reading such books as are detrimental to your sadhana, as are contrary to Mother's Teaching. The books which cause confusion, which destroys what little you have developed through yoga sadhana, should be summarily rejected. Hence choose your books by using discrimination

*Love and blessings  
Rama Devi*

## **TEACHINGS OF POOJYA SREE BHAGAWAN**

## **REALIZATION OF SUPREME**

When power and radiation of the Name (of God) interpenetrates your mind and body, when you are drawn to God through devotion, Bhava and childlike dependence, you will get vision of Light within and without. Gradually, light expands into an ocean of homogeneous mass of divine effulgence. The vision of light then develops into experience of boundless Consciousness, God within and without. The One Supreme pervading all existence is realized.

## **THE ALL KNOWING ONE**

**-KUM.VATSALA RAO**

I looked at a letter handed over to me and frowned. Here I was in Trivandrum in the midst of eleven-day program to celebrate the advent of Divine Mother. I was enjoying every moment of it. It was a letter from my residence. Upon opening it I found that it was letter from my mother informing that my aged father was sinking and I should hasten to his bedside at Mysore at once.

I decided to meet Poojya Sree Bhagawan at once. Poojya Sree Bhagawan was waiting for me. He looked indrawn. On seeing me he asked abruptly, 'How is your father's health?' I was dumfounded. Even without anyone telling, He had known. I told about letter and he told to leave next morning itself. He made arrangements for Smt B.K.Hemalatha, a devotee, to accompany me.

The next morning we went to take leave of Poojya Sree Bhagawan. Looking at me He said, "Go and serve your father for four days. What a jiva requires at the last moment is to hear name of God. So, chant Sharana manthra. Donot be afraid,"

As instructed by Poojya Sree Bhagawan I used to sit by my father and chant manthra. On the fourth day, my father to have some breathing difficulty. My mother left to inform my sister .As for me I had not yet grasped the gravity of the situation. I was asked my father whether he could hear the chanting. He whispered he could hear and wanted to continue as it made him feel peaceful.

A few minutes passed and suddenly my father raised his head. He was smiling and his face was suffused with joy as he had seen some beatific vision Then slowly he lay back on the pillow and labored breathing eased. I did not realize how and when the soul left the body .I was still chanting manthra. When my mother and sister returned and found that he was no more. With great manthra resounding in his ears my father merged in Divine Mother's Lotus Feet.

Years back in Mangalore in an imperious bhava Divine Mother had assured me that She would take care of my father in his final moments and told not to worry about his destiny. When Poojya Sree Bhagawan sent me to my father to be with him during his last moments, above incident flashed before my mind's eye.

## DIVINE MOTHER TARA DEVI ABOUT HER TRANSCENDENTAL EXPERIENCES

When I step into the Mandir, I see everything enveloped in a blaze of Light.-Light, Light, Light. No shrine, no deity, no worshippers, no worship-Light and Light alone.

From my deep absorption in the Transcendent, I emerge; but then for awhile, I do not apprehend the plane of Existence, the loka. Slowly I came to know, this is the human universe.

When I speak, suddenly the Divine supervene; the mighty Voice of God begins to speak. I see clearly the surface self being relegated to a corner, and divine functioning directly. Mind at once merges in the infinite.

## PEARLS FROM MOTHER'S LIPS

..

1. Love purifies, attachment contaminates. Love gives bliss, attachment produces misery, fear, restlessness. Love leads to liberation, attachment binds.

2. For you Grihasthas, this is an opportunity which is unique. Let abiding faith in Mother's divinity and in Her saving grace be the foundation of your life of quest.

3. To recognize the Divine, when He makes advent on earth in a human upadhi, is itself a kind of saving enlightenment
