In you lies the power to make or mar your destiny. Your yesterday's will and work constitute your today's destiny. Future is in your hands. To escape the worry of time, land yourself in the eternity

AMRUTHAVANI

Beloved children,

. During the monsoon, because of heavy showers, everywhere one finds the profusion of green vegetation. The Guru's words, presence and grace are a perpetual shower. Responding to instruction, tuning your mind to the presence and opening yourselves to grace, you should grow with abundance of moral qualities, devotion and spiritual knowledge. This is the duty of paramount importance for a disciple

*Love and blessings
Rama Devi*

That knowledge by which one undivided spiritual nature is seen in all existences, undivided spiritual nature in the divided, is noblest (sattwik) knowledge.

**TEACHINGS OF POOJYA
SREE BHAGAWAN**

The Vighraha represents Mother. She is the Vighraha. We think it vighraha and keep away. We can approach Mother anytime. We have to look upon Her as our own mother. Mother is our Mother. This has to be understood by everyone. Why did Mother came? She wants us to join Her. She has said that She is in us and we are in Her.

SHAKTHI OF DIVINE MOTHER

– Smt.K.Vimala

One day I was very serious and my husband had lost all hopes of my survival. I was shifted to the Civil Hospital, Mercara, where I was advised to undergo one more operation. My mother, who was attending on me in the hospital, told me that regular Bhajans are being conducted by Sree Rama Devi Bhakta Mandali in Mercara and that I should determine to attend a bhajan and offer a pooja there on my getting completely cured. Meanwhile, one staff nurse, who is a staunch devotee of the Divine Mother, came to my room to give me medicine. Seeing her my mother told me that the nurse is also attending the Bhajans. When the nurse heard this, she too began to talk about the Divine Mother and impressed upon me about the sakthi of the Divine Mother. After about 15 minutes she left the room on duty. To my great surprise, no sooner had she left the room, I felt completely relieved of all my pain. My curiosity to know more and more about this great Sakthi increased. Next time when the nurse came to my room I got more information about the Mother. The kind nurse, the true devotee of the Divine Mother, used to come often to my room to talk about the greatness of the Divine Mother.

After three days I was taken to the operation theatre to undergo another operation. The doctor once again examined me and to my surprise they told me that the operation was not at all necessary and that I would be discharged from the hospital within a week. The nurse had taken me, in spirit, though not bodily, very near the Mother. I was getting better and better day by day. I was not taking any medicine that was prescribed for me in the hospital. Talking about Mother, hearing about Mother and thinking about Mother were my medicines

On the fourth day of my discharge from the hospital, accompanied by my mother, I went to Smt. Shantakka's house, with fruits and flowers as offerings to Divine Mother. There was no bhajan on that day. But when the fruits and flowers were placed before Divine Mother's Photo as offering by me, a flower dropped down from Divine Mother's photo. Smt. Shantakka assured me that it was a sign of Divine Mother's grace and I was going to be perfectly alright soon.(next page)

— Julia Cameron

3. “The Spirit of God breathes inspiration, while the carnal mind breeds vanity.”

— Fred C. White

4. Seek God's power and presence continually.”

— Lailah Gifty Akita, Beautiful Quotes

5. “All paths are valid, but in the end you will find that the realization of the ultimate truth is a pathless path.”

SHAKTHI OF DIVINE MOTHER(CONTD)

A few days after this, suddenly on one day, I became seriously ill. My husband and children gathered round me in a sorrowful mood. Seeing the plight of my husband and children, suddenly I uttered the words ‘ Oh Sadguru Mata.’ To the surprise of my husband, within a few minutes I was completely alright. Seeing this my husband was convinced about the Sakthi of the Divine Mother and he himself advised me to attend the bhajans regularly. He was not allowing me to go for Bhajans, before this, to prevent strain on my weak body and because the bhajan hall is two miles away from my house. I was overjoyed at his change.

PEARLS FROM MOTHER'S LIPS

1. Doubting ones are deprived of this privilege to see God when He stands before them in all splendor.

2. God is the infinite power, which illumines and animates countless universes. Get the inner connection with Him. Infinite, immeasurable, indescribable, is the glory of God.

3. Be not a slave of the mind, become its master. Of course, this involves persistent struggle with the lower forces. Victory is sure to come. Be not hasty, but strive ceaselessly, keeping the flame of yearning steadily glowing.

BHAGAVATA SAPTHAHA FROM 21-4-2015

The Bhagavata Saptaha will be started on 21-4-2015 with Mahatmya on 21-4-2015. The Acharya is a young exponent called **Sree Raj Namboodiri**. He is only 26 years old. By this time he made his mark in the field of Bhagavata Saptaha by his extraordinary oratory and devotion. All are requested to attend this auspicious function. This saptaha Yajna is devout offering of Mrs. Hema Mukundan

A STORY TOLD BY DIVINE MOTHER

Once an ascetic was engaged in severe penance intent on a vision of Lord Siva. Pleased with his tapasya, Siva appeared before him. The ascetic looked at the form and said within himself: There is no Ganga on his head. How can he be Siva the Supreme? Immediately Ganga appeared on Siva's head. The tapaswi was astonished, but in the next moment another thought cropped up in him. Where Siva is, there Parvathy too should be. But here where is Devi? To his utter surprise, Devi appeared with a benign smile and the ascetic was delighted. Yet, doubt lingered in a corner of his mind. He thought of Subramanya and Ganapathy, and lo! The children of the Divine Couple too instantaneously appeared on the spot. Now the grand vision of Siva in His divine abode of Kailas in all glory was before him. But the doubting ascetic thought: Is this all a jugglery? How can this be real! Will Siva appear like this so soon? No sooner this thought arose in the ascetic than the omniscient Lord disappeared from his vision. The tapaswi now awoke to the realization of his folly. He repented, prayed and bitterly wept, but of what avail! He could not get the vision of Siva again in that life.
