### AMRUTHAVANI

*Beloved children,*

. The precious human body is a gift from God. That is not to be wasted on selfish pursuits and sense indulgence (vishaya bhoga). The Ultimate Goal has to be realized. Body is the instrument designed for that purpose. The help of God is essential; for it is from God you get the inward prompting, the inner light, the luminous intelligence, the discrimination and the spiritual wisdom. Say not that God has denied you or withheld from you, these gifts. He, Omnipotent One, the treasure house of excellences, the ever-shining Consciousness, who abides as the Atman in all, is ever seated in your heart. When you know this truth, all powers will awake in you

*Love and blessings*

*Rama Devi*

--Bhagavad-Gita-.17/17 .

**TEACHINGS OF  
POOJYA SREE  
BHAGAWAN**

. The habit of perfection should be inculcated in childhood itself. Once a person grows up, he gets into a groove and it is very difficult for him to come out of it. It is easy to mould a child but adults too can improve if they have faith. Everything is possible with the Guru's Grace. The Sadguru appears like an ordinary person. He advises you, accepts food from you and talks to you. He is God and He dwells in you as your Self. The Avatars come to show us this truth

**OH!MOTHER, YOUR GRACE ALONE. Mrs.Sankara Menon**

I had longed for. I had my first contact with Mother in the year 1951. In fact, Mother in her ever flowing grace, had already forestalled my thoughts, and had even graced my house, with her divine presence, even before I came to know of it.

This happened in a most unexpected manner. We were then staying at Trivandrum. We had then temporarily given our house at Trichur for occupation to Dr. H. U. Kamath. Mrs. Kamath was a devotee of Mother and she had invited Mother to bless her house with her divine presence. Thus it was, that even before our knowing Mother in person, she had already graced our house with her presence. How happy we were to hear about the news of Mother's visit to our house from my sister and relatives at Trichur.

I received my initiation at Trichur at the hands of the Divine Mother, on the 2nd December, 1952, and ever since that date, I had always been trying my best to be a satsishya, a worthy disciple of Mother. I had been attending the weekly bhajans and the (nama yajnam) and following the discourses and precious advices given by Mother to the best of my ability. Mother had advised us to make every house a temple, and with this end in view, I had been assembling the members of my family every evening for common prayer and worship. Singing Ram Nam with my children and family assembled around me, I really feel a sense of elation and mental peace.

I had no so-called miracles or uncommon experiences to narrate. But I can truly say that Mother's unseen hand was always guiding and helping me all through my life. In the year 1955, I fell a victim to a very dangerous disease that threatened my life and I was taken to Madras for operation and treatment. We left for Madras with prayers to Mother for help and guidance in a spirit of absolute surrender. Our prayers were really heard. All through the long crisis from the diagnosis of the disease through the operation and protracted treatment, Mother's guiding hand was fully discernible.(to be cont..in the next page)

**WORDS OF WISDOM**

1. Healthy people sleep eight hours,  
Wealthy people sleep four hours.”  
— Amit Kalantri

2. “The bravest souls I know are those  
who are willing to risk having the  
entire world turns its back on them,  
and all they’ve ever wanted to do –  
and they would lay down their lives to  
do it,  
because there is no other way to defeat  
truth– is simply, to tell the world  
with their whole heart their story.”  
— Xue Yun

3. Shared Happiness gives real  
Happiness”  
— Amit Gupta

4. We all were courageous in the  
starting moments, few of us stayed  
courageous till the final moments and  
the world called them successful  
men.”  
— Amit Kalantri

5. “So, at any rate, it appears. But  
appearance is not reality.”  
— Gordon Graham, Eight Theories Of  
Ethics

**OH! MOTHER, YOUR GRACE ALONE. (contd..)**

. Weak and timid though I was, by nature, I felt as if a  
new strength and courage was given to me, and even the  
doctors complimented me for my equanimity and  
courage at the time of the operation. I lay confined to the  
hospital for about four months. Though I was ill, I did  
not feel life a suffering. On the other hand, I was always  
cheerful and never felt depressed. Hospital life, in fact,  
was pleasant to me. Every one was kind and considerate,  
and I had the company of very good friends. Oh! Mother,  
this was all due to you, and your grace alone!.

**PEARLS FROM MOTHER’S LIPS**

1. The world disappeared from their vision. It is  
by ananya bhakti, unswerving devotion to God,  
that one attains to the imperishable abode,

\*\*\*\*\*

2. As gold, which is purified by thorough beating  
after put in fire, sheds its dross and shines with  
its own lustre, so too, mind through tapasya  
gives up impurities of the gunas.

\*\*\*\*\*

3. You should burn within yourselves for the  
vision of God. You should pour the ghee of your  
unremitting endeavours into the fire of God-  
hunger. That is tapas. This sort of tapas you  
should do even in your home and sphere of duty.  
The tests and trials of home should be converted  
into a form of tapas for the highest end. Then  
you are really a tapaswi.

## **PURUSHA SOOKTHAM**

(The word 'Purusha' means God Almighty. This Suktam is in praise of the glory of God. It describes the form of Virat Purusha It is chanted in houses, places of worship during rituals and ceremonies. Reciting this confers blessings on one's life. This mantra is chanted by Rishis before performing Yagna so that there are no obstacles or intermissions during the Yagna.)

.8. Tam Yajnyam Barhissi Pra-Ukssan-Purussam Jaatam-Agratah |  
Tena Devaa Ayajanta Saadhya Rssayash-Cha Ye

Meaning:

7.1: The First Divine Men were created as the Holy Water sprinkled with the Kusa Grass in that Yagya (Sacrifice of Creation).

7.2: The First Divine Men were the Sadhya Devas and the Rishis, Who were created by Him, the Deva (the Shining One, referring to Virat), Who performed the Yagya. (These Rishis were not human but divine Rishis like Saptarshis created directly by Virat).

## **MESSAGE OF DIVINE MOTHER SREE RAMA DEVI TO TRICHUR MANDALI MEMBERS.**

A momentary belief of the mind which appears and disappears is not to be understood by the sacred word, Faith. With this belief which is superficial and liable to fluctuations of hostile influences, you cannot declare to the world the truth of Mother's advent. A faith that wavers is not a faith at all. Faith is intuitive awareness, a verdict of the inner conscience, a revelation within the deeper bosom. Such faith will stand you in good stead in trying moments of crisis in your life. Such a faith will become a protective armour for you in the battlefield of life. Such a faith alone will lead you to glorious consummation, namely the direct experience of the Ultimate Reality. (to be contd..)

### **FAITH.-Swami Sivananda**

Faith in God is the first step to God-realisation. Not an iota of progress is ever possible in the path of spirituality without faith. The faith must be a living faith. It must be unwavering faith. Lack of faith is a stumbling block in the path of realisation. Faith develops into Bhakti or devotion to God. Faith is the gateway to the Kingdom of God. It is the threshold to the Knowledge of God. Faith gives strength and removes anxieties and uneasiness of mind. Faith is therefore a powerful mental tonic
