AMRUTHAVANI

Beloved children,

. They say, forget the world and God will appear before you. But Mother tells you, you need not forget the world altogether, but remember God, devoutly long for his vision, await His arrival in vigilant aspiration and do your work in the world as an act of service to Him. If you do this, the All-merciful will reveal Himself to you one day and show you that your Self and the world are He only.

*Love and blessings
Rama Devi*

TEACHINGS OF POOJYA SREE BHAGAWAN

Saraswathi is clad in white which denotes purity. The Veena She holds indicates She touches the tenderest chords in you. She wants to fill you up with sublime feelings and sentiments. She holds a book which She wants to give you knowledge. The rosary in Her hand says, "Your life is revolving in the wheel of birth and death. Now stop it. This knowledge given to you to redeem yourself".

HOW SHARANA MANTRA SAVED A FAMILY

Mrs. Rema Menon, USA

I wanted to share a recent incident during my Chennai trip to see Deva. I had taken a 4 star hotel named Radha Regent that was 4 kms from Mrs Tyagarajan place so I could commute easily every day to meet Deva and be of some service to Him. This was the closest one to Annanagar.

First day the hotel arranged a driver who was supposed to drop me at Deva's place in Anna Nagar. As I sat in the car, the driver's attention caught my phone that had picture of Bhagwan. He asked me who it was as he found Deva's eyes very powerful and Divine. I told Him this is my Guru who is not well these days and we are going there to meet him. He immediately told me he wants to see Him. I told Him since Deva is sick nobody is allowed to see him so if he is lucky he might get a chance later.

On the way to Deva's place, he told me his problem which shook me a bit. He was in Middle East three months back and one day he got a message that his father is serious. So he came down only to hear that he passed away. His father was into some business and he had 70 lakhs debt and since he was the oldest son the entire debt came on to his head. He couldn't go back to Middle East as his visa expired. In the meanwhile the creditors started bothering him so he sold his house and paid half the debt. Then he found a job in Radha Regent hotel as driver just 3 months before I met him. His family was away in a village called Tiruvanmalai. He was saving everything for his family and used to sleep in the car. The creditors were behind him saying that if he doesn't pay the amount they will put him in prison and also his family will be tortured. So having no other go, the entire family of 9 that including his siblings and 2 kids and his wife decided to commit mass suicide on 2nd Feb. It was at that critical juncture he met me and I gave him the mantra. The next day he told me he started chanting it and I told him to continue doing so. Though I gave the time as 5.30-5.45am he and his family woke up at 4am and after shower did it for 2 hrs almost. They chanted at night too before going to bed. I told him the mantra works wonders so just try it and see. He also advised the hotel management to allow him to take me every day as he felt I got him good luck and felt some positive vibrations when I was around. (I told him it's not me but Bhagwan and the mantra and he will soon realize the truth.) So days passed and he was fortunate to get Bhagwan's Darshan on 1st Jan. and also on 2 occasions when Deva came to Chennai temple. He was so thrilled and happy. (see next page)

WORDS OF WISDOM

.1. You wouldn't worry so much about what others think of you if you realized how seldom they do.”

— Eleanor Roosevelt

2. Man often becomes what he believes himself to be. If I keep on saying to myself that I cannot do a certain thing, it is possible that I may end by really becoming incapable of doing it. On the contrary, if I have the belief that I can do it, I shall surely acquire the capacity to do it even if I may not have it at the beginning.”

— Mahatma Gandhi

3. “And no one will listen to us until we listen to ourselves.”

— Marianne Williamson

4. Life is ten percent what you experience and ninety percent how you respond to it.”

— Dorothy M. Neddermeyer

5. If you have a dream, don't just sit there. Gather courage to believe that you can succeed and leave no stone unturned to make it a reality.”

— Roopleen

6. “The key to life is accepting challenges. Once someone stops doing this, he's dead.”

— Bette Davis

SHARANA MANTRA SAVED A FAMILY (CONTD..)

Within 2 weeks someone was kind enough to give the interest amount for the load and he could pay off the interest amount for his loan and also the creditors promised him they won't trouble him for next 2-3 yrs. and he can repay the remaining amount slowly. They let him and his family free. He was very thrilled to say the least. In 2 weeks of chanting the mantra he saved lives of 9 people which is nothing but Mothers grace and mantra at work. He kept thanking bhagwan and the mantra and his faith became stronger as days passed.n

PEARLS FROM MOTHER'S LIPS

..

1. See every member of the family as your own reflection and love all as you love yourself. Give your love to all and you will not be able to contain the mighty streams of love that will come back to you.

2. Be free of enslaving desires. A desire less man is the richest man in the universe, his wealth, being the inexhaustible wealth of contentment

3. When you are anchored in God, happiness and contentment will automatically be yours
