AMRUTHAVANI

Beloved children,

The power of resolute will, the power to imbibe moral ideals, the power of shraddha, the power of penetrating perception, the power of quick and right decision, the power to guide the mind and action along Righteousness, these powers that manifest themselves in the pure intellect, are powers from God. **When a ray of God's grace falls on the intellect, all these powers automatically awake and finally spiritual illumination also dawns.** Both Maya and Jnana are powers of God. Maya obscures the Reality and makes it appear as something other than what it is. Jnana reveals the Reality, the true nature of Self and God.

*Love and blessings

POOJYA SREE
BHAGAWAN**

OUR GOAL

It is only when we know divinity that we can impart confidence, happiness and bliss to others. The ultimate aim of human being is to attain bliss. But what is required to do so are disciplines. Discipline is inevitable in all walks of life- be it the army, architectural jobs, overnment jobs or even your personal life. When you follow disciplines, you improve and come nearer the goal.

GREATNESS OF DIVINE MOTHER

----SRI VISHNU THITE

Divine Mother is very punctual in time and as far as possible she does not like to cancel any public programme already announced. A public Bhajan was once arranged at C. K. P. Hall at Dadar. On the previous day of the fixed date Holy Mother had a high temperature and all the devotees were anxious about her health and thought that the programme might be cancelled. The doctor was giving injection and medicine but the temperature was not brought under control, till the time fixed for the programme. Divine Mother started bhajan at fixed hour and completed the same in pleasant mood as if she was in perfect good health. The public never came to know anything about this.

One day Divine Mother was giving pravachan in the morning at Parel when I was also present. In the meanwhile a telegram was received. She went inside for two or three minutes, came back and completed the pravachan without any sigh of sorrow or slackness. After the completion of the programme the devotees came to know that the telegram contained the sad news of the demise of her own sister's husband. This shows how Divine Mother has got full control over her mind. May Divine Mother guide me.

WORDS OF WISDOM
QUOTES FROM PURANAS

1.Those who knowingly reject this way of faith and strive merely to tread the way of knowledge, are fools who would leave alone the cow of plenty standing at their door and knock about in search of the aka plant (the milk-weed) to give them milk.

2.The heart of the creature being utterly clouded over with the darkness of ignorance, the knot cannot even be perceived; how then can it be untied: if God were to bring about such conditions (as are mentioned below), even then the disentanglement of the knot is problematical.

3.If by God's favour a spirit of genuine piety, like a beautiful cow, comes to abide in one's heart, if countless prayers, austere penances, steadfast vows, self-restraint, internal purification (with contentment, mortification, study and worship of God) and observances, which the Vedas declare to be proper righteous conduct.

4.These be the green grass, and if the cow grazes it, she would bear and give milk to the calf of faith. The spirit of resignation (from worldly activity) is the rope with which her hind legs are tied, faith the bowl in which the cow is milked; the spotless mind that is its own slave is the milkman.

MOVING SHRINE

Today we can see Divine Mother clearly in the shrine called Sharana Mantra. Years ago Divine Mother installed Her Vighraha in the shrine built by Her devotees in Trichur and at various places. Later at the time of Mahasamadhi Divine Mother made Her Presence in the shrine of Sharana Mantra, which is shrine built by Divine Mother. This shrine can be taken to where ever the devotee wishes and Mother will come along with that shrine. Even though Divine Mother is "Adrisyaroopini"(not visible),She can be seen through this shrine.

(from an article written by Late Sri.K.N.Krishnan Namboodiri)

PEARLS FROM MOTHER'S LIPS

1. Because jnana is the constant state of Truth-Consciousness, whatever flows from jnana, mental peace and courage which spring up from jnana are all deep, profound, stable and spiritual in nature.

2.Nature (prakrithi), life experience, scriptures and Sadguru all instruct you that everything except God is perishable. But unless your own mind develops a yearning for God and righteous living, genuine spiritual life does not even begin.

PREM MANDIR, VRINDAVAN

Prem Mandir for me is a Divine Monument. Lord Krishna might steal your heart away in this awesome place This magnanimous temple is made up of white marble and is an architectural masterpiece, sure to awe anyone with the serene spiritual atmosphere.
The entire vicinity is full of love, grace. If you are planning to visit the temple, do spare at least 3-4 hours, you will surely fall in love with God. The entire experience can be divided in 2 parts. One, the outer vicinity of the temple and second, the temple itself.
As one enters the temple's vicinity, catch the glimpse of beautiful Gardens and the huge Kaliya Naag Pastime of Lord Krishna on the left. This reminds one how causelessly gracious God is. This is the leela when Lord Jumped in the Yamuna River and subdued the great Kaliya Serpent saving the devotees from the poisonous serpant. There are many more to see and experience.
