AMRUTHAVANI

Beloved children,

It is said in the Age of Kali, 'Kaliyuga', by mere singing of Hari's name crores of families can be redeemed. This proclaims the greatness of the Divine Name. But mere repetition is not what is meant here. You should have steadfastness in faith and should surrender completely to God. When miseries come, when darkness seems to envelop from all sides, never imagine that God has left you. All others will leave you, but not God. By sheer, force of steadiness, quiet certitude and steadfast faith, you will be able to cross the realm of darkness. What is the sign of progress on the spiritual path? It is this that your faith and devotion increase, your mind becomes calm and your moral earnestness reflects itself in every action of

yours.

**TEACHINGS OF POOJYA
SREE BHAGAWAN**

On the material and mental planes of existence man should be able to remain linked to the Supreme. It is estrangement from God that has hurled man into an abyss of sorrow and darkness called Samsara. To establish one's harmony within and to be at peace with one's own surroundings, man must discover his inner link with God. The mantra helps the man to forge this link with God.

ANNHILATION OF SINS

Mrs. Thankam. T. Nair

The year 1968 was the worst part of my life, according to astrology. It all started as a small ailment due to allergy to Kumkum and a patch appeared on the forehead where the tilak is usually put. The medicine I took did not agree and day by day the trouble increased. My whole body got swelled up and the fair skin became black and the skin also started to peel off, like onion skins. The itching in that state became unbearable. My husband and son both being doctors had me treated by a panel of the best specialists. But all their medicines had no effect and none could diagnose my ailment

I heard that Divine Mother was visiting Madras. I flew to Madras, though I could hardly stand the journey. With the skin peeling off all the time I could bear neither heat nor cold. Divine Mother was staying at Woodlands Hotel for a very short stay at Madras. Mother was not in good health at that time and so the devotees never troubled Mother. I know now that Mother came at that moment to Madras to save Her most miserable child, in the divine onrush of mercy. Mother was lying on a sofa and Tara Devi (the present Mother) made us all comfortable, seated us near the Mother. I could only gaze at the Divine Face, no words came. I saw Mother taking the towel and holding it to Her face. Tears of divine sorrow were pouring down, the universal heart melting down in torrential flow of compassion. Mother said, 'Fear not, beloved child, Mother's heart weeps for the miseries of Her children. Prarabdha alone brings misery and worldly happiness by turns. It is inevitable. Sometimes it is very difficult to annihilate the evils of Sarpa Kopa. But fortunately for you, this has come at a time, when Mother is still in this world in this Saguna Upadhi. Now, surrender yourself completely to Mother. Rest assured of Her healing grace. These words of Godly assurance were a great relief for me. I regained my hope and cheer.

With a light heart I flew back to Trivandrum and got admitted in the Ramakrishna Hospital for proper nursing etc. The very same medicines I had taken for two years were only continued but the daily worship of the paduka, taking of the theertha as ambrosia and the divine Name worked a miracle. In two months, time I returned to Madras, a changed being well on the path of recovery. My husband and son who met me at the airport could not believe their eyes. They bowed down their heads with folded palms in profound gratitude and joy. Oh Mother! without Thy unutterable mercy, where would I be? (THE END)

BHAJAN AND MOTHER'S HEALTH

Divine Mother is very punctual in time and as far as possible she does not like to cancel any public programme already announced. A public Bhajan was once arranged at C. K. P. Hall at Dadar. On the previous day of the fixed date Holy Mother had a high temperature and all the devotees were anxious about her health and thought that the programme might be cancelled. The doctor was giving injection and medicine but the temperature was not brought under control, till the time fixed for the programme. Divine Mother started bhajan at fixed hour and completed the same in pleasant mood as if she was in perfect good health. The public never came to know anything about this.

Rani Rashmoni, founder of Dakshineswar Temple

The famous Dakshineswar temple which houses the Goddess Kali was founded by Rani Rashmoni following a dream she saw when she was about to start on her pilgrimage to Benaras. A long term plan of the Rani materialized which she had longed to perform when her husband died with unfulfilled wish of constructing a Kali temple.

A dynamic woman, Rani Rashmoni took over the administration of the enormous estate her husband left her. The benevolent administrator, Rani Rashmoni was always in conflict with the stringent British laws and policies. People honored her and loved her for her daring and benevolent spirit. Dakshineswar temple, bathing ghats, a way from Subarnarekha River to Puri, Imperial Library (present National Library) and Hindu College (present Presidency College) are the testimonials to her benevolent nature.
